

Historical Butterfly & Moth Observations on Mount Desert Island | SPRING | Schoodic Institute

DATE	COMMON NAME	SCIENTIFIC NAME	LOCATION
5/18/36	Clemen's agonomopterix moth	<i>Agonomopterix clemensella</i>	Breakneck Road
4/28/38	glass miner moth	<i>Agonomopterix sabulella</i> [?]	Southwest Harbor
6/05/37	bridge roller moth	<i>Ancylis uncella</i>	Seawall Bog
5/13/37	variable carpet moth	<i>Anticlea vasiliata</i>	Bar Harbor
4/12/35	the infant moth	<i>Archiearis infans</i>	Bar Harbor
6/10/38	twirler moth	<i>Carpatolechia belangerella</i>	Big Heath
5/27/35	Fish's dart moth	<i>Cerastis fishii</i>	MDI
4/17/35	Diana's choreutis moth	<i>Choreutis diana</i>	Bar Harbor
4/25/46	apple leaf skeletonizer moth	<i>Choreutis pariana</i>	Bar Harbor
5/11/34	mottled gray carpet moth	<i>Cladara limitaria</i>	Bar Harbor
6/08/37	birch conch moth	<i>Cochylis nana</i>	Seawall Bog
6/15/32	eastern grass-veneer moth	<i>Crambus laqueatellus</i>	Norway Dr.
4/26/35	Norman's quaker moth	<i>Crocigrapha normani</i>	MDI
6/02/35	dusky hooded owlet moth	<i>Cucullia intermedia</i>	Eagle Lake
5/19/37	twirler moth	<i>Dichomeris bipunctellus</i>	MDI
5/19/37	small engrailed moth	<i>Ectropis crepuscularia</i>	Jordan Pond
4/26/35	woodling moth	<i>Egira dolosa</i>	Bar Harbor
4/28/34	tobacco moth	<i>Ephestia elutella</i>	MDI
6/27/37	goldcap moss-eater moth	<i>Epimartyria auricrinella</i>	Long Pond
4/25/35	purplish birch-miner moth	<i>Eriocrania semipurpurella</i>	MDI
5/19/46	early hairstreak butterfly	<i>Erora laeta</i>	Bar Harbor
6/13/36	dreamy duskywing butterfly	<i>Erynnis icelus</i>	Half Moon Pond
4/26/35	larch pug moth	<i>Eupithecia annulata</i>	Bar Harbor
4/26/35	lost sawfly moth	<i>Eupsilia devia</i>	Bar Harbor
4/06/33	sidus sawfly moth	<i>Eupsilia sidus</i>	Bar Harbor
5/28/35	harvester butterfly	<i>Feniseca tarquinius</i>	Bar Harbor
6/04/28	berry plume moth	<i>Geina tenuidactyla</i>	Lower Breakneck Road
6/02/35	false yellow-dusted cream moth	<i>Gueneria similaria</i>	Eagle Lake
6/21/38	scavenger moth	<i>Holcocera chalcofrontella</i>	Bar Harbor
4/26/35	goat sawfly moth	<i>Homoglaea hircina</i>	Bar Harbor
6/15/32	larch silk moth	<i>Hyalophora columbia</i>	Bar Harbor
5/18/33	greenish blue butterfly	<i>Icaricia saepiolus</i>	MDI
4/26/35	false pinion moth	<i>Litholomia napaea</i>	Mount Desert Narrows
4/27/35	Bethune's pinion moth	<i>Lithophane bethunei</i>	Bar Harbor
4/30/36	hoary pinion moth	<i>Lithophane fagina</i>	Bar Harbor
4/23/38	broad ashen pinion moth	<i>Lithophane laticinerea</i>	Bar Harbor
4/30/36	stout spanworm moth	<i>Lycia ursaria</i>	MDI
6/06/35	red-headed inchworm moth	<i>Macaria bisignata</i>	Witch Hole Pond
6/24/34	granite moth	<i>Macaria granitata</i>	Bar Harbor
6/18/38	pygmy moth	<i>Nepticula sp.</i>	Bar Harbor

5/01/36	yellow-veined geometer moth	<i>Orthofidonia flavivenata</i>	MDI
DATE	COMMON NAME	SCIENTIFIC NAME	LOCATION
4/27/35	speckled green fruitworm moth	<i>Orthosia hibisci</i>	Bar Harbor
6/10/37	dark-spotted palthis moth	<i>Palthis angulalis</i>	Bar Harbor
4/30/05	spicebush swallowtail butterfly	<i>Papilio troilus</i>	MDI
6/06/35	northern petrophora moth	<i>Petrophora subaequaria</i>	Witch Hole Pond
4/29/36	half-wing moth	<i>Phigalia titea</i>	MDI
4/xx/44	oak leaf blotch miner moth	<i>Phyllonorycter basistrigella</i>	Bar Harbor
4/16/35	huckleberry leafminer moth	<i>Phyllonorycter diversella</i>	Bar Harbor
4/xx/45	black birch miner moth	<i>Phyllonorycter martiella</i>	Bar Harbor
6/07/37	American barred umber moth	<i>Plagodis pulveraria</i>	Long Pond
6/14/35	lemon plagodis moth	<i>Plagodis serinaria</i>	Jordan Pond
6/26/32	tawny-edged skipper butterfly	<i>Polites themistocles</i>	Echo Lake
5/25/36	long-horned flat-back moth	<i>Prolita sexpunctella</i>	Seawall
5/27/49	speckled black pyla moth	<i>Pyla fusca</i>	Bar Harbor
6/05/37	spear-marked black moth	<i>Rheumaptera hastata</i>	Southwest Harbor Bog
4/29/36	the herald moth	<i>Scoliopteryx libatrix</i>	MDIBL
4/27/35	dull flatbody moth	<i>Semioscopis inornata</i>	Southwest Harbor
5/11/37	pale semioscopis moth	<i>Semioscopis megamicrella</i>	Southwest Harbor
6/28/36	maroonwing moth	<i>Sideridis maryx</i>	Otter Cliffs
4/30/75	one-eyed sphinx moth	<i>Smerinthus cerisyi</i>	Bar Harbor
5/30/75	one-eyed sphinx moth	<i>Smerinthus cerisyi</i>	Bar Harbor
6/18/36	northern cloudywing butterfly	<i>Thorybes pylades</i>	Half Moon Pond
6/27/34	white-striped black moth	<i>Trichodezia albovittata</i>	Long Pond
4/26/35	toothed brown carpet moth	<i>Xanthorhoe lacustrata</i>	MDI
4/30/36	gray swordgrass moth	<i>Xylena cineritia</i>	Bar Harbor
4/30/36	dot-and-dash swordgrass moth	<i>Xylena curvimacula</i>	Bar Harbor
4/30/36	American swordgrass moth	<i>Xylena nupera</i>	Bar Harbor
4/25/33	larch needleworm moth	<i>Zeiraphera improbana</i>	MDI

SPECIES SEEN HISTORICALLY IN SUMMER THAT MAY BE PRESENT IN EARLY SPRING

1884	double-lined fercula moth	<i>Furcula occidentalis</i>	MDI
1885	common wood nymph butterfly	<i>Cercyonis pegala</i>	MDI
1888	oak hairstreak butterfly	<i>Satyrrium favonius</i>	Ellsworth Road
1889	viceroy butterfly	<i>Limenitis archippus</i>	MDI
1889	white admiral butterfly	<i>Limentis arthemis</i>	MDI
1883	green comma butterfly	<i>Polygonia faunus</i>	MDI
1889	gray comma butterfly	<i>Polygonia progne</i>	MDI
1889	painted lady butterfly	<i>Vanessa cardui</i>	MDI
1889	meadow fritillary butterfly	<i>Boloria bellona</i>	MDI
1889	cabbage white butterfly	<i>Pieris rapae</i>	Norway Road
